

Back to Work Employment

"Getting People Back to Work"

Our Employment Placement Service includes:

- ✓ 1:1 Personal Assistance
- ✓ Tips, Tricks & Advice on "Proactive Job Seeking"
- ✓ Interview Skills
- ✓ CV Updates (Please bring your CV with you)
- ✓ Helping you to contact employers
- ✓ Arranging job interviews
- ✓ Supporting you when you start work
- ✓ Liaison with Work and Income Case Managers

Meet the Team:

Karen Kapua

With significant experience helping jobseekers, including linking people to the right employers, nothing gives Karen greater satisfaction than seeing people succeed in life. She will do everything possible to help make this happen.

Samantha Uden

Using her employment coaching experience, Samantha is focused on supporting jobseekers into paid work by connecting them with employers. Samantha also has retail, customer service, and insurance industry experience.

Kim Horisk

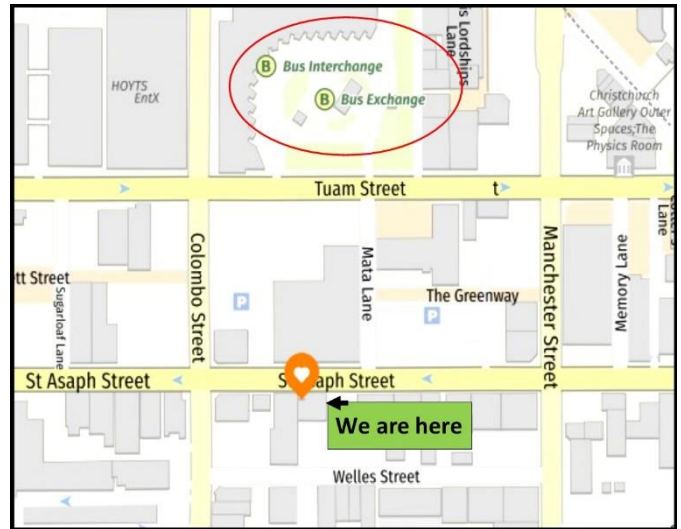

Kim has proven experience in assisting jobseekers and employers: matching people to work. With her additional sales and service industry background, Kim is highly motivated, positive, and enthusiastic.

Want help with your job search?

Ask your Work and Income Case Manager to make an appointment for you to come and see us. They will arrange a referral and your first appointment with one of our Employment Coordinators.
